FIRE broke out about six o'clock this morn-It originated among a mass of stuff, consisting of firewood, rice, kerosene oil and lumber, stored under the staircase on the first floor. The top floor and roof of the house were turned out by a fire which occurred on the 30th of last month, and there was not much left to burn in the house. 1.10 The flames were extinguished before very much damage was done. At the time of . 14 1.25 the first fire, the house was insured for \$4,000, of which, it is said, \$300 were recovered for the damage done on 30th

December. 0.60 THE Cricket Club Ball, which was given last night in honour of the Straits Cricketing Team, was one of the most enjoyable assemblies which have been held here for many a year. Fortunately the weather, Capsule 10 1:00 which had threatened to be wet and masty, as well as chilly, cleared up, and the gathering was a large one. Considering the short time, in which the arrangements could be made, the decorations and other preparations were highly creditable to those concerned. Of the decorations of the grand staircase landing and the ball rooms, there was but one opinion. They were appropriate, effective and pretty without being too elaborate and were universally admired. Captain Rumsey and Mr Ram were, we understand, mainly responsible for the cricket and boating devices on the walls; and the success-Case. The Singapore colours were frequently shown and 18 1.50 happly arranged side by side with ose of the H. K. C. In the dancing halls a simple but most effective draping of flags around shields bearing a variety of cricketing devices gave St. George's Hall and St. Andrew's Hall a very pleasing appearance. Dancing began punctually, and was kept up till midnight, when supper- was served in the Theatre, which was draped with flags, and was made to appear all the prettier and more fairy-like by the aid of the fine transformation scenes of the Ohristmas Pautomime. After supperwhich was generally approved of and well austained Mr Dorabjee's reputation as a catarer—dancing was resumed until about two o'clock. The Hon W. M. Deane. President of the H. K. C. C., performed the duties of Chief Host with 1.10 great success. Music was supplied by the string Band from H. M. S. Imperieuc, and the floors were perfect. Altogether the Cricket Club is to be con-

> gra ulated upon the success of the Ball it has given to our Singapore friends.
